Exciting NEW Events for 2016

STAND OUT FROM THE COMPETITION!

For in-depth training on business building topics, take advantage of our breakout sessions and learn from top business leaders and a certified CareerCode coach. We want to set you up for success and here are a few key things to note for this year's breakout sessions:

Rewarding & Retaining Key Employees Time: 11 a.m. – 12 p.m.

Knowing the best ways to attract, retain and reward your ideal workforce is now critical. Seismic shifts in the U.S. workforce will continue to force talent pools to shrink and spike the demand for qualified workers. You can keep your company's competitive edge by attracting and retaining the best possible employees. Learn the best ways to attract, retain and reward the workforce needed for your company's ultimate success! This session is sponsored by Northwestern Mutual.

David Darlington, ChFC, CFP, CLU, CASL, MSFS
Wealth Management Advisor

What is CareerCode? Time: 1:30 – 2:30 p.m.

CareerCode is a sequence of six letters representing major personality types, arranged in order of how they influence each individual. Identifying your CareerCode leads you to a deeper understanding of not only who you are, but also your family, friends, co-workers and clientele.

This humorous and energetic workshop will facilitate an understanding of six unique values and work styles present in our workforce today and will provide a hands-on experience to analyze yourself, your current job, team members, managers and your organization as a whole.
